Re: DT 14-160, TNCI Operating Company LLC Revisions to Intrastate Access Tariff

Dear Mr. Isar:

On June 19, 2014, TNCI Operating Company LLC (TNCI) submitted a filing to revise its intrastate access tariff for effect on July 1, 2014.

Staff has requested an extension to July 31, 2014 to allow sufficient time to determine whether this filing is compliant with recent Federal Communications Commission (FCC) orders and rules regarding intrastate access rates.

Pursuant to RSA 378:6, IV, "The Commission may, in its discretion and with reasonable explanation, including an explanation of the likely areas of disagreement with the tariff, extend the time for its determination by up to 30 days." In order to allow for an appropriate review of the revised tariff and its compliance with relevant FCC orders and rules, the Commission believes it is reasonable to extend the time for its determination on this proposed tariff revision until July 31, 2014. Accordingly, the period for review of the revised tariff is extended until July 31, 2014.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra A. Howland".

Debra A. Howland
Executive Director
