RE: DT 14-160: 2014 Intrastate Access Rate Tariff Filings by CLECs

Dear Mr. Cranford:

On July 16, 2014 we received a letter and attachment you described as revisions to the rate schedule for PAETEC Communications, Inc. (PAETEC).

New Hampshire RSA 378:1 requires that a public utility submit tariffs or schedules "showing the rates, fares, charges, and prices for any services rendered." This filing does not provide such information, and instead refers the reader to rates published elsewhere. (For example, see Page 96). This does not meet the requirements of state law.

Staff will treat the filing of July 14th as an incomplete proposed tariff revision. Once we receive a complete filing, specifically including the actual rates proposed, review of the filing pursuant to RSA 378:6 shall commence.

Thank you,

A handwritten signature in black ink, appearing to read "Michael C. Ladam".

Michael C. Ladam
Assistant Director, Telecommunications Division
New Hampshire Public Utilities Commission
