Re: DT 14-160: Intrastate Access Rate Tariff Filings by CLECs

Dear Mr. Roesel:

On July 24, 2014, Time Warner Cable Information Services (New Hampshire), LLC (TWC-IS) submitted a filing described as a filing to revise access rates in compliance with Federal Communications Commission No. 11-161.

We appreciate your effort to provide transparency in access rates. However, New Hampshire laws regarding tariffs apply only to filings made by authorized public utilities.

Authorizations to provide utility telephone service issued by the Commission in previous years expired in June of this year pursuant to Puc 404.01(f). Only those companies currently operating as telephone utilities, in particular by providing non-VoIP and non-IP-enabled voice service to end users, were issued new certifications as telephone utilities.

In light of this, Staff will not act upon this filing.

Sincerely,

Michael C. Ladam
Assistant Director, Telecommunications
