**Re: Concord Steam Corporation**

**Supplement to the Petition  
for Approval of Issuance of Securities Pursuant to RSA 369:1  
And Waiver of Requirements of Puc 1107. 02**

Concord Steam Corporation ("Concord Steam" or the "Company"), hereby Supplements the Petition for Approval of Issuance and Securities and Waiver Requirement that was filed June 17, 2014 in the above captioned docket.

1. Concord Steam originally filed the petition seeking approval of financing based on an interest rate of 5.77% that was provided by Ford Motor Credit, allowing the Company to take advantage of Ford Motor Company rebates on the truck that reduced the purchase price.

2. Subsequently the Company discovered that it could refinance the loan without penalty after 30 days at a lower interest rate of 3.5% through Merrimack County Savings Bank.

3. For the foregoing reasons, the Company requests that the Commission issue an order authorizing the financing for the truck in time for the Company to take delivery by July 17, 2014 and refinance the truck with Merrimack County Savings Bank within 30 days from the date of delivery.

WHEREFORE, Concord Steam respectfully requests that the Commission:

A. Issue an order authorizing the Company to purchase the Ford F-150 pursuant to the terms described above;

B. Find that the issuance of these securities (borrowing) is in the public good; and

C. Grant such other and further relief as may be just and reasonable.

Respectfully submitted,

CONCORD STEAM CORPORATION
