Eve,

This is a follow-up to the phone call we just had.

As I stated, you can meet the requirement to show that Customer Acquisition Specialists is authorized to do business in New Hampshire by providing a printout of Customer Acquisitions' listing on the Secretary of State (SOS) website with the status noted as "Good Standing" or words of similar import.

A copy of your company's listing on the SOS site could be used in place of the SOS certificate that I requested in each of the deficiency letters I sent you on July 23, 2014, in the above dockets.

Thank you.
