Dear Director Howland:

Enclosed for filing with the Commission are four copies of the First Quarter 2015 Report for the CORE Energy Efficiency Programs containing results for all the electric and natural gas utilities. A copy of this report was made available electronically to the Commission and all parties on May 29, 2015. Eversource is filing four copies consistent with the ruling of the Commission in Order No. 25,462 (February 1, 2013).

Please let us know if you need any additional hard copies of this filing or if there are any questions concerning this filing.

Very truly yours,
