2015-2016 Core NH Electric and Gas Energy Efficiency Programs***

Dear Ms. Howland:

Enclosed for filing with the Commission on behalf of Unitil Energy Systems, Inc. ("UES"), please find an original and two (2) copies each of a clean and redlined version of pages 110 and 111 of UES's Electricity Delivery Tariff. This filing is made in compliance with Order No. 25,747 dated December 31, 2014 which authorized a reduction in the cap for on-bill financing loans from \$7,500 to \$2,000.

UES respectfully requests that the Commission accept the enclosed filing as a substitute for the tariff filing made in this docket on May 20, 2015, and that the May 20<sup>th</sup> filing be withdrawn without prejudice.

Please contact me if there are questions about this filing. Thank you for your assistance.

Very truly yours,

  
Susan S. Geiger
