Eversource Energy Compliance Filings

Dear Director Howland:

On behalf of Public Service Company of New Hampshire d/b/a Eversource Energy ("Eversource"), I am writing to request an extension to the filing of certain calculations otherwise due on June 1. Specifically, on June 1 Eversource was due to file its annual calculation of its performance incentive along with its report on the expenditures of funds under RSA 125-O. In addition, this year, for the first time, Eversource was also to submit its lost revenue reconciliation filing.

Due to delays in getting certain information, along with the addition of a new report, preparation of these reports has taken longer than anticipated. Accordingly, Eversource is requesting a modest extension that would allow the above-identified reports to be filed on or by Wednesday, June 6. This minimal filing extension of 3 business days will allow Eversource the time needed to properly complete the reports without materially impacting any necessary review of them.

Thank you for your cooperation and consideration of this request. Please do not hesitate to contact me with any questions.

Very truly yours,

Matthew J. Fossum
