RE: Docket DE 14-216, Energy Efficiency Programs  
Eversource Revised Attachment F, pages 8 and 9 – Program Year 2017

Dear Director Howland:

Enclosed for filing with the Commission are an original and three copies of revised pages 8 and 9 from Attachment F, the Eversource End of Year Filing for program year 2017.

Following discussion with Commission Audit Staff, Eversource has revised p. 8 to reflect a corrected Forward Capacity Market expense. Eversource has also revised p. 9 to present the reconciliation of the General Ledger account in a clearer manner.

Please contact me if there are any questions concerning this filing.

Very truly yours,

Kate W. Peters
