Renewal filing by Summerview Energy LLC. to continue providing Natural Gas aggregation services.

Dear Ms. Howland enclosed please find the renewal application for Summerview Energy LLC. to continue providing natural gas aggregation services in the State of New Hampshire. We recently withdrew that application because of the \$2000 annual fee assessed on all aggregators and could not afford that assessment. After you mailed the assessment and we withdrew our license, we were sent a letter stating if we did not make \$10,000 over a year we would not have to pay the assessment. As of this date we have not made any money aggregating natural gas. Therefore we are requesting that you reinstate our license and wave any fees for reinstating that license. We do meet the requirements necessary under 363-A:5 that you sent to us after the letter of assessment

Should you need any more information, have any questions, regarding this renewal filing please contact me anytime at 603 432-5453. Thank You Steve Trefethen.
