**RE: DG 14-230 Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty Utilities  
Keene Division 2014-2015 Winter Period Cost of Gas – March 2015 COG Adjustment**

Dear Ms. Howland:

On behalf of Liberty Utilities (EnergyNorth Natural Gas) Corp. - Keene Division (the "Company") and in accordance with New Hampshire Public Utilities Commission (the "Commission") Order No. 25,729 dated October 28, 2014, in Docket DG 14-230, I enclose for filing the Company's current (March) calculation of its projected over or under collection of gas costs for the 2014-2015 winter season ending April 30, 2015.

The calculation reflects the actual January 2015 NYMEX settled prices. For February - April 2015, the calculation reflects the NYMEX closing prices as of February 23, 2015. The resulting projected under collection of approximately \$65,922 is approximately 4.2% of the total revised anticipated gas costs for the 2014/15 winter season.

The current and revised cost of gas rates are summarized in the following table.

| <b>Cost of Gas Rate</b> |                     |               |
|-------------------------|---------------------|---------------|
| <u>Current Rate</u>     | <u>Revised Rate</u> | <u>Change</u> |
| \$1.3095                | \$1.4390            | \$0.1295      |

Please note this report has been filed via the Commission's Electronic Report Filing System.

DG 14-076
