Dear Director Howland:

Pursuant to Order No. 25,755 dated January 15, 2015, Public Service Company of New Hampshire, d/b/a Eversource Energy ("Eversource"), hereby submits the required monthly update concerning the legislative and settlement processes involving Docket No. DE 11-250.

On May 28, 2015, the House Science, Technology and Energy Committee voted favorably on an amendment to Senate Bill 221, with an 18 to 1 determination that the legislation, as amended, ought to pass. The full House is scheduled to vote on the amended SB 221 tomorrow.

A final, comprehensive Settlement Agreement is imminent. Assuming the House passes the necessary legislation, the Settlement Agreement will be filed expeditiously with the Commission, likely within a week.

Please let me know if the Commission has any questions.

Sincerely,
