Re: Dockets DE 11-250 and DE 14-238
Response to PSNH Motion to Stay Proceedings

Dear Ms. Howland:

Please accept this letter as the International Brotherhood of Electrical Workers (IBEW) response to PSNH's Motion to Stay the above referenced dockets.

IBEW has no status in Docket DE 11-250 and therefor will neither support nor object the Motion to Stay DE 11-250.

In the matter of DE 14 – 238 we agree with PSNH and Senator Bradley that a Stay will allow collaborative and legislative efforts to progress that may resolve the myriad issues that are currently under consideration in these dockets.

If the Public Utilities Commission (PUC) grants PSNH's motion we ask that the PUC include all parties to both dockets to participate fully in the "collaborative process".

Enclosed you will find an original and seven (7) copies of our response in the above-referenced matter.

Please do not hesitate to contact me if you should have any questions.

Respectfully,

Thomas F. Ryan
Assistant Business Manager
