***Re: DE 14-238 –Public Service Company of New Hampshire,
Determination Regarding PSNH's Generation Assets***

Dear Ms. Howland:

On behalf of Granite State Hydropower Association ("GSHA"), enclosed for filing in the above-captioned docket please find an original and six copies of Supplemental Prefiled Testimony of Richard A. Norman. This filing is made in accordance with Order No. 25,829 issued by the Commission October 22, 2015. That order granted GSHA's motion to compel PSNH to answer certain data requests, and granted leave to GSHA to file supplemental testimony regarding matters addressed in the data requests within 14 calendar days of PSNH's production of the requested data. As PSNH provided data in response to GSHA's requests on October 29, 2015, this filing is timely. Please contact me if there are any questions about this filing. Thank you.

Very truly yours,

Susan S. Geiger
