Subject: AVH Best Management Practices

Dear Ms. Bernstein

I am writing on behalf of Androscoggin Valley Hospital in order to provide a clarification regarding DE 14-296, Application for Certification as a REC Eligible Facility, which you received on October 24, 2014. We would like to clarify that it shall be our policy to implement Best Management Practices which are consistent with the recommendations in the report titled "Emission Controls for Small Wood-Fired Boilers" prepared for the United States Forest Service, Western Forest Leadership Coalition by RSG, Inc., May 2010.

Sincerely

Stephen McMann
