ILLINOIS COMMERCE COMMISSION

H.P. Technologies Inc. :
: :
Application for Licensure of : :
Agents, Brokers and Consultants : 11-0456
under Section 16-115C of the : :
Public Utilities Act. : :

ORDER

By the Commission:

I. PRELIMINARY MATTERS

On May 31, 2011, H.P. Technologies Inc. ("Applicant") filed a verified application with the Illinois Commerce Commission ("Commission") requesting a certificate of service authority to operate as an agent, broker or consultant ("ABC") in Illinois pursuant to Section 16-115C of the Public Utilities Act ("Act"), 220 ILCS 5/1-101 et seq., and 83 Ill. Adm. Code 454 ("Part 454"). The Administrative Law Judge requested additional information and clarification of certain matters contained in the Application. When no response was filed to the Administrative Law Judge's ruling, a Proposed Order was served on the Applicant. Following service of the Proposed Order, the Applicant remedied the issue identified in the Administrative Law Judge's ruling. Applicant requests authority to offer services as an ABC for the procurement or sale of retail electricity supply for third parties in the State of Illinois.

II. REQUIREMENTS FOR ALL APPLICANTS UNDER SECTION 16-115C OF THE ACT

Applicant is a business organized under the laws of Ohio and licensed to transact business in Illinois. Applicant has certified that it will comply with all applicable regulations; that it will comply with informational and reporting requirements established by Commission rule; that it will comply with informational and reporting requirements pursuant to Section 16-115C of the Act; and that it will comply with all other applicable laws, regulations, terms, and conditions required to the extent they have application to the services being offered by an ABC. Applicant has agreed to ensure that any person who acts on its behalf will comply with all applicable sections of Part 454. Applicant agrees that it will remain in compliance with the provisions of the Act and Part 454, and will ensure that authorizations received from customers, and all other applicable records are retained for a period of not less than three calendar years after the calendar year in which they were created. Applicant has agreed to adopt and follow rules and procedures to preserve the confidentiality of its customers' data.

III. FINANCIAL, TECHNICAL, AND MANAGERIAL REQUIREMENTS OF SECTION 16-115C

Pursuant to the requirements of Section 454.80 of Part 454, Applicant provided a surety bond in the amount of \$5,000 issued by a qualifying surety authorized to transact business in Illinois. Applicant submitted an original surety bond in satisfaction of Section 454.80.

Applicant is required by Part 454.60 to demonstrate that it meets the managerial qualifications necessary to provide services as an ABC. Applicant must further provide an organizational chart that indicates the position of persons which satisfy the managerial qualification. Applicant has demonstrated that it meets the managerial qualifications set forth in Part 454.60, as demonstrated in Attachment B. Attachment B includes an exhibit containing a corporate organizational chart and identifying the persons who are being used to meet the requirements of Part 454.60(a). Attachment B includes an exhibit containing occupational background information on the person or persons who are being used to meet the requirements of Part 454.60(a).

Applicant is required by Part 454.70 to demonstrate that it meets the technical qualifications necessary to provide services as an ABC. Applicant has demonstrated that it meets the technical qualifications set forth in Part 454.70 with the information provided, including the information included in Attachment C. Attachment C includes an exhibit containing occupational background information on the person or persons who are being used to meet the requirements of Part 454.70(a).

Applicant indicates in its application that it is licensed as a broker/marketer for natural gas in Ohio, as well as an aggregator of natural gas. The Applicant further indicates that it has not had any complaints filed against it for the services it has provided.

Applicant further agrees to comply with the Code of Conduct for ABCs contained in Section 454.90.

IV. COMMISSION CONCLUSION AND CERTIFICATE OF SERVICE AUTHORITY

The Commission has reviewed the application and attachments along with the supplementary information provided by Applicant regarding the technical and managerial requirements and all other requirements of the Act and Part 454 and finds that the Applicant sufficiently demonstrates compliance with the requirements.

The Commission concludes, therefore, that Applicant's request for a certificate of service authority to operate as an ABC in Illinois should be granted and should include the following authority:

CERTIFICATE OF SERVICE AUTHORITY

IT IS CERTIFIED that H.P. Technologies Inc. is granted service authority to operate as an agent, broker or consultant for the procurement or sale of retail electricity supply for third parties in the State of Illinois.

V. FINDINGS AND ORDERING PARAGRAPHS

The Commission, having reviewed the entire record, is of the opinion and finds that:

- (1) H.P. Technologies Inc., a business organized under the laws of Ohio, seeks a certificate of service authority to operate as an agent, broker or consultant under Section 16-115C of the Act;
- (2) the Commission has jurisdiction over the party hereto and the subject matter hereof;
- (3) the recitals of fact and conclusions reached in the prefatory portion of this Order are supported by the record and are hereby adopted as findings of fact;
- (4) Applicant has demonstrated that it possesses sufficient financial, managerial and technical resources and abilities to provide services as an agent, broker or consultant for the procurement or sale of retail electricity supply to third parties in the State of Illinois;
- (5) Applicant has complied with Section 16-115C of the Act and Part 454; and
- (6) H.P. Technologies Inc. should be granted the certificate of service authority to operate as an agent, broker or consultant as specified in this Order.

IT IS THEREFORE ORDERED by the Illinois Commerce Commission that H.P. Technologies Inc. is hereby granted a Certificate of Service Authority authorizing it to operate as an agent, broker or consultant; said Certificate of Service Authority shall read as that set forth in Section IV of this Order.

IT IS FURTHER ORDERED that H.P. Technologies Inc. shall comply with all applicable Commission rules and orders now and as hereafter amended.

IT IS FURTHER ORDERED that, subject to the provisions of Section 10-113 of the Public Utilities Act and 83 Ill. Adm. Code 200.880, this Order is final; it is not subject to the Administrative Review Law.

By order of the Commission this 21st day of September, 2011.

RE: Electricity Broker License Application

Dear Mr. Giancola:

The Department of Public Utilities ("Department") has reviewed the application of H.P. Technologies, Inc ("H.P. Technologies" or "Company") for an Electricity Broker license in the Commonwealth of Massachusetts, and is pleased to inform you that the Department has approved the application. The Company's license number is EB-279.

Consistent with the information included with H.P. Technologies' application, the activities the Company is licensed to provide are limited to electricity broker services to commercial and industrial customers. If, at a later date, the Company seeks to provide electricity broker services to residential customers, it must first seek and obtain Department approval at the time of renewal of its license.

As a condition of maintaining this license, H.P. Technologies must file updated information within 30 days of any material change in the information required by 220 C.M.R. § 11.05(2), and it must comply with all relevant requirements of G.L. c. 164 and the regulations promulgated thereunder, including 220 C.M.R. §§ 11.00, 12.00 et seq. If

Mr. Dennis Giancola, President
H.P. Technologies, Inc.
