Re: NOPipeline - Ferc Docket No. PF14-22

Dear Ms. Howland:

Please be advised that the letter you received from Paul Markwardt, VP of Bae Systems urging you to Approve ~~the~~ Agreement between Liberty ~~North~~ Utilities and Kinder Morgan is absolutely the most dangerous Agreement ever!

Kinder Morgan & their surveyors have been trespassing over everyone's land, doing surveys & making me scared & uncomfortable. They don't have a permit - yet they are just doing whatever they want too! I live here - I don't want

A pipeline that does NOT help us & we will lose our homes! We urge you NOT TO Approve this Agreement - This pipeline will take away our homes, ruin families, ruin wildlife & we will have NO place to live

Please, consider lives & think clean energy like wind & sun - NOT more pollution.

Thank you,  
 Barb
