Dear BEBRA,

I AM VERY CONCERNED, AS A RESIDENT AND HOME OWNER IN NEW IPSWICH, THAT THE ~~BE~~ 14-380 LIBERTY AGREEMENT IS SHORT SIGHTED AND MOVING TOO QUICKLY WITHOUT GIVING MORE THOUGHT TO PROVIDE THE BEST BENEFITS FOR OUR ENERGY PROBLEMS IN N.H.

PUBLIC UTILITIES SHOULD FUNCTION TO THE BENEFIT OF ALL OF US, NOT IN EXCLUSIONARY AND SPECULATIVE WAYS.

I AM UNDER THE IMPRESSION DISAGREEMENT EXISTS AMONG THE PUC STAFF. MY QUESTION IS "WHY THE RUSH WITHOUT MORE CONCLUSIVE EXPLORATION?"

MANY OF US ARE FEELING THAT THE INFORMATION RE: NEGATIVE ASPECTS OF THIS PROPOSAL ARE INCREASING WEEKLY.

PLEASE RECONSIDER AND FOLLOW THE NH OFFICE OF ENERGY AND PLANNING (CEP) 10 YEAR STRATEGY.

With Respect for Justice,
 Carol Cullane
