**Re: DG 14-380 Liberty Precedent Agreement**

Dear Chairman Honigberg and Ms. Howland:

I am a resident of New Ipswich, NH. I would encourage the Commissioners to listen to their own experts and the NH Consumer Advocates and reject the agreement between Liberty Utilities and Tennessee Gas. Rather than repeat all the arguments for doing so, I refer you to the letter from the NH Municipal Pipeline Coalition, dated July 21, 2015.

Sincerely,

A handwritten signature in black ink, appearing to read "Roland W. Coates". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
