RE: DG 14-380 Liberty Utilities Transportation Agreement

Dear Ms. Howland:

On May 8, 2015 the Office of the Consumer Advocate (OCA) requested a waiver of Puc Rule 203.02 (a), to exclude Attachment PKC-2 from the six copies required for the Confidential Testimony. The OCA timely provided electronic copies to the Commission and the parties as required by Puc 203.02. However, the correct paper copies were not filed. Pursuant to Puc 201.05, the OCA respectfully requests the Commission waive Puc 202.05 (a), to allow a late file of the copies correctly marked.

Approving this waiver serves the public interest and does not disrupt the orderly and efficient resolution of the proceedings. This filing was electronically mailed to the service list managed by the Public Utilities Commission. If you have any questions, please contact our office. Thank you.

Sincerely,

A handwritten signature in blue ink, appearing to read "Susan Chamberlin".
