Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty Utilities

DG 14-380

Petition for Approval of a Firm Transportation Agreement with the Tennessee Gas Pipeline Company, LLC

Pipeline Awareness Network of the Northeast ("PLAN") Data Requests – Set 1

Date Request Received: 3/11/15
Request No. PLAN 1-16

Date of Response: 3/23/15
Respondent: Francisco C. DaFonte

REQUEST:

Reference: DaFonte Testimony, Bates 7, lines 8-12.

- a. Please identify all communities referenced in Mr. DaFonte's testimony that the "NED project will traverse" as part of an existing electric transmission corridor.
- b. Please provide a detailed map of the corridor/route referenced.
- c. Identify the utility that is served by and/or controls/operates/owns the transmission corridor referenced
- d. Has the NED project requested and/or obtained approvals to "traverse" the "existing electric transmission corridor"? Please provide all documentation with respect to any such approvals requested or obtained. Describe the process and the timeline that NED assumes with respect to any such approvals. What is the plan for the NED route in the event the utility corridors cannot be used or are otherwise not available.
- e. Please provide all analysis or studies undertaken by the EnergyNorth that evaluates the "opportunities for potential natural gas expansion" referenced in this section. Would these "potential customers" have access to CNG supplied by iNATGAS?

RESPONSE:

- a. Please see the Company's response to Staff request Staff 1-11 where it provided an attachment listing the communities in New Hampshire that the proposed NED project would traverse. It is the Company's understanding that these communities have an existing electric transmission corridor.
- b. The Company has provided a detailed map in its testimony as Attachment FCD-1. Further details on the route may be obtained through Kinder Morgan.
- c. The Company believes the owner/operator of the transmission corridor is Eversource Energy.
- d. The Company is not involved in the FERC approval and local permitting process.

Docket No. DG 14-380 Request No. PLAN 1-16

- e. Please see the Company's response to part (a) above. The Company is not privy to the business plans of iNATGAS with respect to specific customers or geographic areas.
