Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty Utilities

DG 14-380  
Petition for Approval of a Firm Transportation Agreement with the Tennessee Gas Pipeline  
Company, LLC

Pipeline Awareness Network of the Northeast ("PLAN") Data Requests – Set 1

Date Request Received: 3/11/15	Date of Response: 3/23/15
Request No. PLAN 1-4	Respondent: Francisco C. DaFonte

---

**REQUEST:**

Reference: DaFonte Testimony, Bates p. 15  
Please describe in detail the options that exist to increase LNG storage capacity to allow EnergyNorth to better utilize the deliverability from its LNG peaking facilities?

**RESPONSE:**

The Company does not have any options to increase LNG storage capacity at any of its facilities. The Company's understanding is that it cannot site LNG storage expansion under the existing federal regulations requiring significantly larger thermal radiation and vapor dispersion hazard distances so as to pose no threat to people or property outside the LNG facilities.
