**Re: DE 15-010; Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty Utilities  
Energy Service Rates for the Period November 1, 2015 to July 31, 2016 for  
both the Large Customer Group and the Small Customer Group and Energy  
Service Reconciliation for the Period February 1, 2015 to October 31, 2015**

Dear Ms. Howland:

I enclose for filing one redacted and seven confidential copies of Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty Utilities' proposed Energy Service rates for the Large Customer Group and Small Customer Group for the nine-month period November 1, 2015 through July 31, 2016. This filing includes the direct testimony of John D. Warshaw and Heather M. Tebbetts.

Certain schedules included in the energy service rate filing contain confidential information, specifically, the Company's transaction confirmation with the winning supplier, bid evaluation and summary, REC pricing, and retail meter commodity cost calculations. The Company requests confidential treatment of these materials pursuant to Puc 201.04(a)(5), 201.06(a)(30) and 201.07, which collectively afford confidential treatment of such materials in routine Energy Service filings. With respect to the wholesale power purchase prices included in this filing, the Company requests confidential treatment only until such time those prices are required to be made public by the FERC.

The Company believes the proposed Energy Service rates are consistent with RSA 374-F:3,V(c) and Commission precedent and are in the public interest as reflective of "competitive market" prices. See NH RSA 374-F:3,V(c). Accordingly, the Company respectfully requests that the Commission approve the proposed rates to become effective for service on and after November 1, 2015.
