***Re: DE 15-___ Petition of NH-Big Island Co. For a License to Construct and
Maintain Cables and Pipelines Beneath State Waters and Lands***

Dear Ms. Howland:

Enclosed please find an original and six copies of the above-captioned Petition and attachments filed on behalf of NH-Big Island Co. A full sized set of construction plans is also submitted with this filing.

As indicated in the Petition, NH-Big Island Co. respectfully requests expedited review of this Petition so that construction for this project can occur this spring - a time when public activity on Lake Winnepesaukee is reduced and when other natural resource communities are not as susceptible to disturbance and noise.

Please contact me if there are any questions about this filing. Thank you for your assistance.

Very truly yours,

Susan S. Geiger
