Re: DE 15-087: Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty Utilities Calendar Year 2014 Reliability Enhancement and Vegetation Management Plan

Dear Ms. Howland:

At the April 14, 2015 hearing in the above-captioned docket, I represented to the Commission that the Company had been paying FairPoint for any poles that it had set for Granite State since 2012. Tr. At 47-48. Since the hearing, I was informed by the Company that payment to FairPoint had yet to be issued. On April 21, 2015, the Company issued payment to FairPoint for \$77,100. While this is not material to the Commission's determination in this docket, I wanted to write to correct the record.

Very truly yours,
