Re: DG 15-090; Northern Utilities, Inc.  
2015 Summer Cost of Gas

Dear Ms. Howland:

At the close of the June 2, 2015, hearing in the above matter, the Commission set a June 26, 2015, deadline for filing a written agreement to document the settlement that was orally presented to the Commission that day, for which the Commission reserved Exhibit 8. Transcript of June 2, 2015, hearing at 18, 40-41.

Enclosed is a Settlement Agreement that contains the material terms of the agreement presented to the Commission on June 2, 2015, to be marked as Exhibit 8. Northern, the OCA, and Staff have signed the Agreement. Note, however, that intervenors Global and Sprague refused to sign.

The Commission also reserved Exhibit 7 for data requests that intervenors Global and Sprague asked to be included in the record as a condition of their participation in the agreement. See Transcript at 13. Although the other parties continue to have no objection to the data requests being entered into evidence, it is Global's and Sprague's obligation to file those data requests.

Thank you.

Sincerely,
