Re: DG 15-121, *Northern Utilities, Inc. Request for Hearing*

Dear Ms. Howland:

On behalf of Northern Utilities, Inc. ("Northern"), enclosed for filing in the above-referenced matter please find seven copies of the following :

- (1) Brief on NOV Related to New Hampshire Avenue Regulator Station; and
- (2) Brief and Offer of Proof on NOV Related to Rutland Street Regulator Station.

Given the differences between the procedural posture of the two NOVs, Northern believed that it would be most beneficial for the Commission to split up the briefing by NOV. I hope this does not create any inconvenience or additional burden for the Commission.

Please do not hesitate to contact me with any questions regarding this matter.

Very truly yours,

William D. Hewitt
