Re: Pennichuck Water Works, Inc.
Petition for Approval of Special Contract
Wholesale Service to Tyngsborough Water District
Docket No. DW 15-_____

Dear Ms. Howland:

Pennichuck Water Works, Inc. (PWW or Company) files, pursuant to Puc PART 1606, a proposed special contract to provide wholesale service to the Tyngsborough Water District (TWD or District). The filing comprises the proposed special contract with title page, a statement of special circumstances, and, pursuant to Puc 203.06, a petition and the testimony and exhibits of Donald L. Ware and Christopher P. N. Woodcock.

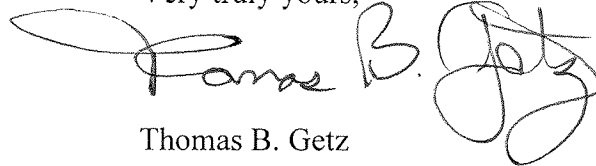

An original and six copies of the filing, as well as an electronic copy, are filed with the Commission pursuant to Puc 203.02. An additional three copies are provided pursuant to Puc 1606.02 (a) (4). A hard copy and an electronic copy of the filing have also been filed with the Office of Consumer Advocate pursuant to Puc 203.02 and Puc 1606.02 (a) (4).

The Company seeks approval of the proposed special contract by an Order *Nisi* consistent with the Commission's decision in Docket No. DW 05-143. In that case, the Commission approved a special contract for wholesale water service between PWW and the Town of Hudson by Order No. 24, 611 (March 31, 2006).
