

### Request for Extension

Pursuant to *Puc 202.04 Extensions of Time*. NECEC respectfully requests an extension until Tuesday June 2, 2015 for the submission of six hard copies of this petition to the NH Public Utilities Commission. NECEC made a good faith effort to request the extension by calling PUC Executive Director Debra Howland and speaking with Rorie Patterson on May 29, 2015.

If the request is not granted, we will not be able to intervene in this docket on behalf of our members. The extension would not unduly delay the proceeding or adversely affect the rights of any party.
