Re: France Telecom Corporate Solutions L.L.C. - Docket No. 05-021
Tariff Access Charge: FCC ICC/USF Reform Order

Dear Sir/Madam:

Our client, France Telecom Corporate Solutions L.L.C. ("FTCS"), is a CLEC authorized to provide services in New Hampshire under Docket No. 05-021. FTCS operates on a "pure resale" basis, *i.e.*, it does not own or control any telecommunication facilities, and it does not purchase unbundled network elements.

Because FTCS is a non-facilities based provider, it does not provide access services, it does not collect access charges, and it does not have an access tariff on file with the Commission.

As such, we believe that an Order to update FTCS' tariff to conform with the FCC's ICC/FCC Reform Order is not applicable.

Please file-stamp and return the extra copy of the filing in the pre-addressed, stamped envelope provided for this purpose. Kindly direct any questions regarding this filing to the undersigned.

Sincerely,

William K. Coulter
Counsel for France Telecom Corporate Solutions L.L.C.
