South Weare, NH 03281

Re: DT 15-167, Granite State Telephone: Intrastate Access Tariff Revisions

Dear Mr. Schilling:

On May 22, 2015, Granite State Telephone (GST) submitted a filing to revise its intrastate access tariff for effect on July 1, 2015, pursuant to the Federal Communications Commission (FCC) Report and Order FCC 11-161 (Transformation Order). Consistent with the Transformation Order as revised, the tariff filing proposes to set GST intrastate access rates equal to current GST interstate rates. In subsequent discussions with Staff, GST identified two corrections to the filing, as described in the Staff Memorandum of June 30, 2015 in this docket.

Staff reviewed the proposed tariff changes as revised for compliance with FCC orders and rules, and following its investigation, recommended that these proposed changes be allowed to go into effect.

The Commission has accepted Staff's recommendation that the proposed tariff changes be allowed to take effect as revised. For administrative efficiency, an order will not be issued by the Commission either suspending, rejecting, or approving the proposed tariff changes. Pursuant to RSA 378:3 and RSA 378:6, IV, the proposed tariff changes, filed on May 22, 2015, as revised in accordance with the Staff Memorandum of June 30, 2015, and pursuant to Staff's recommendation, are effective, as proposed, on July 1, 2015. Tariff pages incorporating the changes references above should be filed referencing Docket No. DT 15-167 and reflecting the effective date of July 1, 2015.

Sincerely,

A handwritten signature in dark ink, appearing to read "Debra A. Howland".

Debra A. Howland  
Executive Director
