Re: Docket DW 15-199 Abenaki Water Company  
Petition to Intervene

Dear Ms. Howland:

I am writing in my role as the current Vice President of Lakemont Co-op, LLC, aka Briarcrest Estates. We seek to intervene in the above referenced docket. Our community consists of 241 homes. 48 of these homes are in Belmont, NH. Abenaki Water Company provides water to these homes and they would be affected by the proposed rate change. Most of our residents live on fixed incomes and this increase would be detrimental to them. Given this, we have a direct and substantial interest in this matter.

Should you have any questions or require more information, please contact me directly at 603-998-4417 or 506 Blaine Ct., Laconia, NH 03246.

Sincerely,

John G. Drouin

Cc: Abenaki Water Co.
