Ms. Debra Howland, Executive Director
New Hampshire Public Utilities Commission
21 S. Fruit Street, Suite 10
Concord, NH 03301*Re: Lightower Fiber Networks — Request for Licenses by Notification Pursuant to RSA 371:17-b*

Dear Ms. Howland:

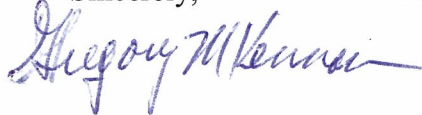

I write on behalf of Lightower Fiber Networks I, LLC and Lightower Fiber Networks II, LLC (collectively, "Lightower") pursuant to RSA 371:17-b for the purpose of obtaining final licenses for all of Lightower's facilities crossing New Hampshire public waters and land that existed as of June 19, 2013, the effective date of the statute. Enclosed are the original and six copies of (1) Request for Licenses by Notification and (2) Motion for Confidential Treatment.

The Motion for Confidential Treatment applies to four lists of crossings attached to the Request for Licenses by Notification. Accordingly, those lists are enclosed in a separate, sealed envelope.

RSA 371:17-b provides that, upon receipt of the enclosed list, "no further inquiries or investigations by the commission shall be undertaken and the commission shall issue a final license." Accordingly, Lightower respectfully requests that the Commission issue the requested final licenses.

Please contact me if you have any questions. Thank you.

Sincerely,

Gregory M. Kennan
