Re: Docket No. DE 15-248
Public Service Company of New Hampshire d/b/a Eversource Energy
2015 Least Cost Integrated Resource Plan

Dear Ms. Howland:

The Commission held a prehearing conference in the above-captioned matter on August 10 2015, pursuant to duly-issued Order of Notice. The Office of Consumer Advocate did not attend the prehearing conference but has filed a letter of participation pursuant to RSA 363:28. The Office of Energy and Planning (OEP) filed a petition to intervene, and no party objected to the petition.

At the technical session following the prehearing conference, the parties established a partial procedural schedule. The expectation is that, as we discuss the issues in this proceeding, the parties will reach agreement on how to resolve those issues. At this time, however, we want to provide time in the schedule to allow for additional discovery or technical sessions, if necessary. The proposed schedule is as follows:

First Set Data Requests	August 20, 2015
Responses	September 11, 2015
Technical Session	September 22, 2015 at 1:30

Thank you for your attention to this matter. Please let me know if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Suzanne Amidon".
