RE: Docket No. DE 15-248  
Public Service Company of New Hampshire d/b/a Eversource Energy  
2015 Least Cost Integrated Resource Plan

Eversource Motions to Clarify, Waive and Stay

Dear Director Howland:

On June 19, 2015 Public Service Company of New Hampshire d/b/a Eversource Energy's ("Eversource") filed its 2015 Least Cost Integrated Resource Plan ("LCIRP"). Since that filing it appears that differing opinions of the requirements of Eversource's 2015 LCIRP have arisen in light of the Commission's orders on prior Eversource LCIRP filings, as well as the legislative amendments to the resource planning statutes. Accordingly, please find attached Eversource's combined motions to clarify the filing requirements and to waive certain filing requirements, as well as to stay the docket pending a Commission order on the motions to clarify and waive.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance with this matter.

Very truly yours,

Matthew J. Fossum  
Senior Counsel
