Re: DM 15-281 Goldstar Energy Group, Inc.
Renewal of Registration to Provide Natural Gas Aggregation Service

Dear Ms. Stokes:

On July 20, 2015, Goldstar Energy Group, Inc. (Goldstar) filed an application to renew its registration as a provider of natural gas aggregation service. On July 31, 2015 Goldstar filed a supplemental letter and requested a waiver of Puc 3003.05(a) which requires a renewal application to be filed 60 days before the registration expiry date. In its letter Goldstar explained that it was an oversight and expressed its willingness to take any remedial action.

On August 4, 2015, staff filed a recommendation to grant the waiver and approve the renewal application. Consistent with Staff recommendation the Commission grants the waiver request for this time only considering the circumstances. The Commission also approves your application retroactively from July 24, 2015. The registration is for a term of 5 years and expires at the end of business on July 23, 2020. Pursuant to N.H. Code Admin. Rules Puc 3003.02(a), you must submit your next renewal application at least 60 days prior to the expiration of the registration approved here, on or before May 23, 2020.

Please be aware that registered providers of natural gas aggregation service are subject to specific requirements contained in N.H. Code Admin. Rules Puc 3000 - Competitive Natural Gas Supplier and Aggregator Rules. These rules are available at:
<http://www.puc.state.nh.us/Regulatory/Rules/PUC3000.pdf>.

Please note that, effective as of July 1, 2014, each registered natural gas aggregator is subject to an annual assessment of \$2,000, unless it demonstrates that its gross revenue in New Hampshire during the preceding fiscal year (from July 1 through June 30) was less than \$10,000, pursuant to RSA 363-A:2, III and 5.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra A. Howland".

Debra A. Howland
Executive Director
