Re: DM 15-287, Reliant Energy Northeast LLC
Application to Register as Competitive Electric Power Supplier
Extension of Application Review Period

Dear Mr. Holtz:

On November 19, 2015, Reliant Energy Northeast LLC (Reliant) requested an extension of time, until December 18, 2015, for the review period of its application to register as a competitive electric power supplier (CEPS). Reliant stated it required additional time to complete electronic date interchange (EDI) testing with Public Service Company of New Hampshire, d/b/a Eversource Energy. Commission Staff filed a memorandum on November 19, 2015, recommending that the Commission approve the requested extension.

The Commission has reviewed Reliant's request and Staff's recommendation and has granted the request for an extension of time, until December 18, 2015, for the review period for Reliant's application to register as a CEPS, and the related rules waiver requested by Reliant. Accordingly, Reliant's application must be completed for Commission review on or before December 18, 2015.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra Howland".
