**Subject:** order 25,877 - Working Group

Good Afternoon Ms. Howland,

I am writing to express my interest in joining the Working Group as outline in the above mentioned order.

I am a member of the NH BIA and Meredith Hatfield spoke this morning to the Energy and Telecommunications Committee and suggested it might not be too late to request to be included for consideration.

Please let me know if there may be an opportunity to participate and if you need any further information from me.

Regards,

Douglas Langdon-Vice President
