Re: DE 15-302, Residential Renewable Electric Generation Incentive Program
Scheduling Public Lottery, Establishing Waitlist, and Temporarily Closing Program

To Interested Persons:

On February 9, 2018, Staff filed a memorandum that recommended scheduling a public lottery to establish queue positions for applications submitted following the reopening of the Residential Renewable Electric Generation Incentive Program (Program), establishing a Program waitlist, and temporarily closing the Program to new applications as of a specified date.

The Commission has reviewed Staff's memorandum and recommendations, and has determined that a public lottery to establish application queue positions shall be held on **Tuesday, February 20, 2018, at 11:00 a.m., at the Commission.**

The Commission has also approved the creation of a waitlist to include applications received or postmarked by February 1, 2018, that are at the end of the queue established in the public lottery and exceed available funding limits; followed by applications received or postmarked after February 1 but on or before February 12, 2018.

The Commission has further approved temporarily closing the Program to new applications that are received or postmarked after February 12, 2018. The Program shall remain closed unless and until a further order is issued when and if additional funding is made available during fiscal year 2019.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland / ael".

Debra A. Howland
Executive Director
