RE: Docket DM14-284, Renewal of CEPS Registration for Town Square Energy, LLC

Dear Director:

Town Square Energy recently submitted a CEPS renewal application, addressed to your attention at the New Hampshire PUC. After receiving the application, PUC Staff quickly informed us that the \$250 filing fee was absent from our submission. This filing fee has since been processed on our side and is en route to New Hampshire. It should arrive before the hard copy of this filing does.

Even though the renewal application's body was provided earlier, the initial absence of the filing fee means that the PUC was not in possession of the *complete* application a full 60 days before our current license term expires in October 2015. As such, we hereby request a waiver of New Hampshire Code of Administrative Rules, PART Puc 2003.02(a). We apologize that the filing fee was not included in the renewal application and ask that the PUC consider our renewal request as soon as the *complete* application has been received.

Thank you for your prompt and thorough review of our renewal application. If there is anything further that you require at this time, please don't hesitate to contact me directly at bbryce@townsquareenergy.com or 1-877-430-0093 ext 702.

Sincerely,

A handwritten signature in black ink, appearing to read "Bill Bryce", with a long, sweeping underline.
