Re: September 2016 monthly cost of energy over/under report (DG 15 – 377)

Dear Ms. Howland,

Enclosed is the September 2016 over/under report. The September 2016 report is hereby filed to reflect the actual fuel costs from November 2015 thru August 2016 and projected costs from September thru October 2016.

The anticipated under collection is \$73,728. Because the under collection is less than 2% of the overall projected fuel costs we will not be changing our rates at this time.

The September 2016 tariff is \$30.26/Mlb, the October 2016 rate will be changed to \$30.26 in accordance with DG 15-377.

If there are any questions please call me.

Yours Truly,

Mark E. Saltzman
Vice President
