**Re: Docket DE 15-460: Northern Pass Transmission, LLC – Petition to Cross Public Waters**

Dear Ms. Howland:

Enclosed for filing in New Hampshire Public Utilities Commission Docket DE 15-460, please find Northern Pass Transmission LLC's ("NPT") Motion to Revise Procedural Schedule. NPT respectfully asks that the Commission revise the recently issued procedural schedule dated April 6, 2016, in accordance with its motion and take such other appropriate steps in Docket DE 15-461, 15-462, and 15-463 to accommodate the changes to the procedural schedule in Docket DE 15-460.

Staff at the Commission does not object to the Motion, but does have concerns about resuming the procedural schedule on April 29. The City of Concord takes no position on the Motion. We were unable to reach the Town of Franconia for their position.

NPT and Eversource are also in receipt of the City of Concord's Notice of Position on Motion to Stay. Both NPT and Eversource Object to this motion and will file a formal Objection by the deadline of April 18, 2016.

Please contact me directly should you have any questions.

Very truly yours,

Thomas B. Getz
