## STATE OF NEW HAMPSHIRE

## PUBLIC UTILITIES COMMISSION

"Comes now Public Service Company of New Hampshire, a corporation organized under the laws of The State of New Hampshire, and having its principal place of business in Manchester, New Hampshire, engaged in the generation, distribution and sale of electric energy to the public in Manchester and elsewhere in The State of New Hampshire, and respectfully represents to this Commission as follows:

(1) In order to meet the reasonable requirements of service to the public, it is necessary for the Company to construct one or more lines for the transmission of electric energy between the City of Franklin, New Hampshire, and the Town of Woodstock, New Hampshire.

(2) The Company is informed and believes and therefore alleges that Lulu T. Sanborn, Aimee Truelsen and Doris Ryan of 598 Eastern Parkway, Brooklyn, New York, are the owners of a certain tract of land in the City of Franklin, more particularly described in deed of Calvin T. Call to Minnie Truelsen, dated August 22, 1913, recorded in Merrimack County Registry of Deeds, Book 413, Page 222, and more particularly described therein as follows:

A certain tract of land with the buildings thereon, situated in said Franklin bounded and described as follows, to wit: northerly by land of Charles and Harry Colby; easterly by the land now or late of Nathaniel M. Colby and Thomas W. Call; southerly by the land of the said Nathaniel M. Colby and land now or late of Sarah Prebble and westerly by the land of Lester G. and Ella Maxfield. The above described premises contain 190 acres more or less.

(3) The Company desires to acquire a right of way One Hundred Twenty-five (125) feet in width across a portion of the premises described in the preceding paragraph, said One Hundred Twenty-five (125) foot strip to be Seventy-five (75) feet westerly and Fifty (50) feet easterly of a line described as follows:

Beginning at a point in the wire fence marking the easterly boundary line of land of Lulu T. Sanborn et al at land of Everett Tilton, said point of beginning being 404 feet measured easterly along said fence from the northeasterly side of the road leading to the head of Webster Lake, thence running North 45° W, a distance of 545 feet to a point in the wire fence marking the northerly boundary line of land of Lulu T. Sanborn et al at land of City of Franklin.

(4) The Company is unable to agree with said Lulu T. Sanborn, Aimee Truelsen and Doris Ryan as to the necessity of said right of way, or as to the price to be paid therefor.

WHEREFORE, Public Service Company of New Hampshire prays:

- (1) That the Commission grant it permission to take the right of way as above set forth in paragraph 3;
- (2) That the Commission determine the price to be paid for said right of way.

PUBLIC SERVICE COMPANY OF NEW HAMPSHIRE

ORDERED, that a hearing be held before said Public Utilities Commission in the Draper Room of the City Hall at Franklin, in said State, on the twenty-fifth day of February, 1953, at eleven o'clock in the forenoon; and it is

FURTHER ORDERED, that said Public Service Company of New Hampshire give public notice thereof to the owners of the lands described in said petition, residing outside of said State, to appear at said hearing when and where they may be heard relative to the necessity of the rights prayed for, and the compensation to be paid therefor, if said petition shall be granted, by causing an attested copy of this order of notice, and of said petition herein incorporated, to be sent to them at their last known address, by registered mail, with personal return receipt requested, not later than February 3, 1953.
