**RE: DM 15-478, EVERYDAY ENERGY, LLC D/B/A ENERGY REWARDS
COMPETITIVE ELECTRIC POWER SUPPLIER APPLICATION
DEFICIENCY LETTER – REQUEST FOR ADDITIONAL INFORMATION**

Mr. Goyette,

Enclosed please find responses, including an electronic version, regarding the requests for additional information for Everyday Energy, LLC's d/b/a Energy Rewards ("Energy Rewards"), competitive electric power supplier application.

On December 21, 2015, we sent in completed utility applications for Unitil and Eversource. To date, we have not received any communications from either utility regarding projected timing for completion of EDI testing. However, both utilities have agreed to waive the training requirements due to current affiliate presence in those areas (Please see Attachment A). Due to this and in regards to items #1 and #2, surrounding our bond, we cannot provide an updated bond as of yet. We are working diligently with the utilities and will provide you a revised bond when this has been resolved.

If you have any questions please do not hesitate to contact me by email at ccammarano@criusenergy.com or by phone at 203-883-7796.

Thank you!

Best,
