SUBJECT: DM 15-479, Viridian Energy, LLC
Request for Second Extension of Application Period for Registration
as a Competitive Electric Power Supplier

TO: Commission
Debra Howland, Executive Director

On May 4, 2016, Viridian Energy, LLC (Viridian) requested a waiver of Puc 2003.04(h) and an extension to June 1, 2016 of the review period for its application to register as a competitive electric power supplier (CEPS), which expired on May 1, 2016. In its request, Viridian stated that it is requesting the extension to ensure ample time to complete the application filing, pending any further issues and/or requests, and to either provide an amendment to its current surety bond or to replace its current surety bond with a new bond with an earlier term commencement date.

Staff believes that Viridian has estimated a reasonable extension date of on or before June 1, 2016 for it to resolve any additional issues with its application, including amending or replacing its currently filed surety bond. Staff therefore recommends that the Commission approve Viridian's request for a waiver of Puc 2003.04(h) and an extension of its application review period until June 1, 2016.
