RE: REC-15-487 Salmon Falls Holding, LLC & REC 15-488 Crocketts Crossing, LLC

Good Afternoon Ms Howland,

I am so sorry, but I think that I have forgotten to include our two IC Approvals with my application that I sent in last week. I just found three copies of each approval under some other documents on my desk, so I just wanted to drop these off to you as a precaution. I am so sorry for the inconvenience and I hope that we are able to move forward with the process without any delays.

If you need to reach me for any reason at all my contact information is listed at the bottom of this letter, and again, thank you in advance for your understanding.

Regards,

Michaela Cote
