RE: **Docket No. 15-490 –** ENGIE Retail, LLC d/b/a Think Energy ("Think Energy") - **CONFIDENTIAL**
Q1 2019 Quarterly Sales Activity Report
REVISED CY2017 Quarterly Sales Activity Reports
REVISED CY2018 Quarterly Sales Activity Reports

Dear Ms. Howland:

Pursuant to N.H. Code Admin. Rule 2003.03(b), Think Energy hereby submits an original and two (2) copies of its **Q1 2019 Confidential** Sales Activity Report providing the sales of electricity made to customers, total kWh hours sold and the number of customers by utility and customer class.

In addition, it was brought to our attention by Commission Staff that Think Energy's CY2018 kWh sales were reported in a larger amount than normal. After an audit of said submissions it was determined that the kWh sales were submitted as MWh's, in error. Therefore, a further audit was performed on CY2017 kWh sales and it was discovered that the same errors occurred.

So pursuant to Commission Staff's instructions, Think Energy is hereby resubmitting an original and two (2) copies of its revised CY2017 and CY2018 kWh quarterly Sales Activity Reports.

Should you have any questions, please do not hesitate to contact me at (713) 636-1083 or via email at marsha.griffin@engie.com.
