TAKE NOTICE:

1. You have twenty (20) days from the above date served to either: (a) satisfy this complaint or (b) file with the **Secretary of the Pennsylvania Public Utility Commission, 400 North Street, Harrisburg, PA 17120**, one original written answer, under oath, as required by 52 Pa. Code Section 1.56(a), **the date served is the mailing date appearing at the top of this Notice.**

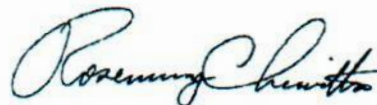

2. In accordance with 52 Pa. Code Section 5.61, if you fail to either satisfy or settle this complaint, or to file an answer or other responsive pleading within twenty (20) days of the above date served, you will be deemed to have admitted all the allegations in this complaint. In that event, the Commission may, without hearing, enter an order which either revokes or suspends any certificate or permit held by you or may impose a fine or other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C.S. Section 101, et seq. If you are a customer of a utility, the Commission may enter an order setting forth a payment schedule or authorize termination of utility services. Upon the Commission's receipt of a certified statement of satisfaction from all complainants, this complaint may be dismissed in accordance with 66 Pa. C.S. Section 703(a) (unless the Commission determines that a dismissal would be contrary to the public

The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

5. If you file a timely answer which specifically denies the allegations in this complaint, or which raises material questions of law or fact, this matter shall be referred to the Office of Administrative Law Judge for hearing and a decision. If, after hearing on the issues, you are found to have committed any of the violations alleged in the complaint, the Administrative Law Judge may render a decision which either revokes or suspends any certificate or permit held by you or imposes a fine or other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq. If you are a customer of a utility, the Commission may enter an order setting forth a payment schedule or authorize termination of utility services. Explain specifically what you believe the utility or company has done wrong. Provide relevant details including dates, times and places and any other information that may be important. If the complaint is about billing, tell us the amount you believe is not correct. Use additional paper if you need more space. Your complaint may be dismissed without a hearing if you do not provide specific information.

Note: If your complaint is only about removing or modifying a municipal lien filed by the City of Philadelphia, the Public Utility Commission (PUC) cannot address it. Only local courts in Philadelphia County can address this type of complaint. The PUC can address a complaint about service or incorrect billing even if that amount is subject to a lien.

In addition, the PUC generally does not handle complaints about cell phone or Internet service, but may be able to resolve a dispute regarding voice communications over the Internet (including the inability to make voice 911/E911 emergency calls) or concerns about high-speed access to Internet service.

5. Requested Relief

How do you want your complaint to be resolved? Explain what you want the PUC to order the utility or company to do. Use additional paper if you need more space.

Extra Bill Remind.

Note: The PUC can decide that a customer was not billed correctly and can order billing refunds. The PUC can also fine a utility or company for not following rules and can order a utility or company to correct a problem with your service. Under state law, the PUC cannot decide whether a utility or company should pay customers for loss or damages. Damage claims may be sought in an appropriate civil court.

6. **Protection From Abuse (PFA)**

Has a court granted a "Protection From Abuse" order that is currently in effect for your personal safety or welfare? The PUC needs this information to properly process your complaint so that your identity is not made public.

Note: You **must** answer this question if your complaint is against a natural gas distribution utility, an electric distribution utility or a water distribution utility AND your complaint is about a problem involving billing, a request to receive service, a security deposit request, termination of service or a request for a payment agreement.

Has a court granted a "Protection From Abuse" order for your personal safety or welfare?

- YES
- NO

If your answer to the above question is "yes," attach a copy of the current Protection From Abuse order to this Formal Complaint form.

7. **Prior Utility Contact**

a. Is this an appeal from a decision of the PUC's Bureau of Consumer Services (BCS)?

- YES
- NO

Note: If you answered yes, move to Section 8. No further contact with the utility or company is required. If you answered no, answer the question in Section 7 b. and answer the question in Section 7 c. if relevant.

b. If this is not an appeal from a BCS decision, have you spoken to a utility or company representative about this complaint?

- c. If you tried to speak to a utility company representative about your complaint but were not able to do so, please explain why.

Note: Even if you are not required to contact the utility or company, you should always try to speak to a utility or company representative about your problem before you file a Formal Complaint with the PUC.

8. Legal Representation

We switched our services over to Clearview electric during a phone call on 6-18 2012 at 11am

I was asked if I was [REDACTED] - I answered no that is my father

I was told I could lower the household bills

Told clearview rates were lower by cpl cents per KWH

I asked--- Are your rates locked in -----answer no they are variable

I asked what are they pegged to and what is the coefficient - what do you mean, I was asked

I explained myself and gave an example of a home mortgage or a long term variable rate bond , I Clearfield by saying that a am a financial advisor with a series 24 license

I was put on hold --- answered we are pegged as you say it [REDACTED] to PECO's rate and would be never higher but may go up and down or be the same

I clarified my self again , so at most same as peco? Yes but now we are cheaper

I called in a few times to PECO for an explanation on why my total amount due was so much higher then my total charges , answer higher energy costs.

My wife called in to PECO on numerous occasions and asked and received same answer so we paid

I was never informed of the dramatic increase in price per KWH I called in to clearview On 7/15/2014 and asked same question was told energy cost I also asked again about why it increased to almost 20 per KWH

I called peco and they gave me a cost run down for a few months and clearview was almost double

I feel that I was defrauded and con into switched then was intentional given gray answers to hide the price increases
