Dear Ms. Howland:

In accordance with New Hampshire Code of Administrative Rules Puc 2003.01(j) and 2003.02(h), Calpine Energy Solutions, LLC ("Calpine Solutions") hereby provides notice to the New Hampshire Public Utilities Commission ("PUC") of an upcoming change in Calpine Solutions' upstream corporate structure. Calpine Solutions is registered as a Competitive Electric Power Supplier ("CEPS") with the PUC pursuant to License Nos. DM 11-067 and DM 16-063 and is an indirectly owned subsidiary of Calpine Corporation ("Calpine").

On August 17, 2017, Calpine entered into an agreement and plan of merger with affiliates of Energy Capital Partners III, LLC ("Energy Capital Partners") pursuant to which Energy Capital Partners will acquire Calpine and thereby become an indirect owner of the various Calpine subsidiaries in New Hampshire, including Calpine Solutions. This agreement is subject to various federal and state regulatory approvals. The parties currently expect the transaction to close in March 2018, after those regulatory approvals are obtained

Calpine Solutions anticipates that the change in ownership of its parent company, Calpine, will have no effect on Calpine Solutions' continued operation, current contracts, provision of service or any other aspects of Calpine Solutions' operation in New Hampshire. Additionally, there are no other updates to the information that Calpine Solutions provided in its application for registration or its application for renewal registration.

Calpine Solutions will provide its customers with written notice of the change in ownership no less than fourteen (14) days prior to the effective date of the change in ownership pursuant to the requirements of Puc 2004.14.
