**Re: *Global Montello Group Corp. ("GMGC") – Competitive Natural Gas
Supplier Annual Assessment Report ("Report")***

Dear Sir/Madam:

Enclosed please find GMGC's completed Report for the 2017 calendar year pursuant to NH RSA 363-A:2, II. As you are aware, GMGC sold its natural gas supply business to Sprague Operating Resources LLC ("Sprague") on February 1, 2017. GMGC had operated in two utility territories in New Hampshire – (i) Energy North (Liberty Utilities), and (ii) Northern Utilities. Despite the sale having occurred on February 1, 2017, the customer pools for each applicable utility were not fully transferred from GMGC to Sprague until May 31, 2017 for Energy North (Liberty Utilities) and June 30, 2017 for Northern Utilities. Therefore, the Report only reflects sales made during January 2017 through June 2017.

Should you have any questions regarding the Report, do not hesitate to contact either me (via telephone (781) 398-4455 or email ahankins@globalp.com) or Phil Segaloff, GMGC's Associate General Counsel (via telephone (781) 398-4436 or email psegaloff@globalp.com).

Sincerely,
